

VISION

# VISION OF NEP 2020

- the learners a deep-rooted pride in being Indian
- in spirit, intellect, and deeds
- to develop knowledge, skills, values, and dispositions
- to human rights, sustainable development and living, and global well-being
- a truly global citizen.

# Overall Guiding Principles in NEP 2020

- \* Holistic development
- \* Foundational Literacy and Numeracy by all students by Grade 3.
  - \* No hard separations
  - \* arts and sciences ,curricular and extra-curricular activities,
    - vocational and academic streams
- \* Multidisciplinary and holistic education

\* conceptual understanding rather than rote learning and learning-for-examinations.

\* Ethics and human and Constitutional values

\* Life skills (21st Century Skills)

\* 'Light but tight'

\* regular assessment

# Paradigm Shifts in NEP 2020 that Guide the NCF

Stages of their development  $5 + 3 + 3 + 4$  design with four Stages:

- ✓ Foundational Stage
- ✓ Preparatory Stage
- ✓ Middle Stage
- ✓ Secondary Stage

# NEP 2020 - Specific Goals for Early Childhood Care and Education ( ECCE)

Physical and motor development

Cognitive development

Socio-emotional-ethical development

Cultural/artistic development

Development of communication and early language, literacy and numeracy.

# Guiding Principles for the Foundational Stage based on NEP 2020

- Teachers should facilitate and mediate the learning of the children.
- Scaffolding should be provided by asking open-ended questions, enabling exploration.
- Family and community are partners in this process and are involved in multiple ways.

THANK YOU
